EXPERIENCE

MICROVERSE

Code Reviewer

Remote

May 2022 - Present

- Reviewed code for more than 450 junior web developers, providing technical support, and advice on how to write clean code and accessible design through code reviews.
- Reviewed technical and soft skills which are fundamental to growth and progress.
- Provided advice on improving social media presence, and networking with fellow developers across the world.

Mentor (Volunteer)

April 2022 - Present

- Mentored 4 junior web developers, who went on to build outstanding projects with good recommendations.
- Proposed improvements to code organization, to improve code quality and overall performance.
- Provided advice and tips on how to maintain motivation to maintain longevity in the program, which drove junior developers to complete their programs.

De Revelation College 15, Funmilayo Adiele Street, Aparadija, Ogun State, Nigeria

Mathematics and Chemistry Teacher

January 2020 - December 2021

- Taught about 980 students mathematics and chemistry, with 100% of the final year students having distinctions in mathematics and chemistry in their final exams.
- Organized inter-class, and inter-school debates for students to improve their communication skills, which saw De Revelation College coming first positions on multiple occasions.

TREGS

12, Adeleke Close, Darfur Iyana - Ota, Ogun State, Nigeria

Mathematics and Chemistry Teacher

September 2018 - December 2020

- Taught about 760 students mathematics and chemistry, with 100% of the final year students having distinctions in mathematics and chemistry in their final exams.
- Guided the students during practical classes, performing several experiments and analyses, which enhances their understanding of chemistry and mathematics.

FHI360

2B Sabo Bakin Zuwo Road, Kano State, Nigeria

Data entry/Data analysis

July 2017 - November 2018

- Collated data of about 15,000 HIV clients receiving treatment in Kano state, Nigeria, between 2010 - 2017 using LAMIS.
- Collated data of over 12,000 vulnerable children receiving treatment from 5 different hospitals in Kano state, Nigeria, between 2005 - 2017 using NOMIS software.
- Analyzed all the data collated with my team, to ascertain clients who are still receiving treatment, dead, or lost to follow-up.

EMPOWER MONITORING TEAM

10A, Wuse, Abuja, Nigeria

Empower Collation Officer

December 2017 - March 2018

- Lead a team to verify the data of about 15,470 Federal government poverty alleviation scheme(Empower) beneficiaries, Kano State chapter.
- Collation of the data verified for proper documentation.
